

## eNewsletter Issue 9/April 2018

COST Action CM1407

Challenging organic syntheses inspired by nature - from natural products chemistry to drug discovery

In this issue you will find:

- Symposium **Applied Natural Products** will be held on 11-13 June at École Polytechnique, Palaiseau, south of Paris. More information available here <https://appl-nat-prod.sciencesconf.org>

If you have any new ads or news that might be of interest to our members, you can send them to the Action's email address [natchemdrugs@gmail.com](mailto:natchemdrugs@gmail.com) and they will be featured on the next month Newsletter.

Sincerely,  
*Natchemdrugs team*
