

## eNewsletter Issue 11/October 2018

COST Action CM1407

**Challenging organic syntheses inspired by nature - from natural products chemistry to drug discovery**

In this issue you will find:

- The **XII European Workshop in Drug Design** will be held in the surroundings of Siena (Certosa di Pontignano) on **19 - 24 May, 2019**.

More information at <http://www.ewdd.it/>

FIRST IN THIS KIND, the European Workshop in Drug Design has always been a **UNIQUE OPPORTUNITY** for graduate students, postdocs and scientists from both Academia and Pharma Industry to celebrate computer-aided drug design and discovery in an **EXCITING** and **COLLABORATIVE** environment, looking at an impressive sight of the city of Siena from a monastic complex in the heart of the Chianti and Tuscany and enjoying Italian hospitality and participating to **HIGHLY INTERACTIVE HANDS-ON** case studies.

- **4<sup>th</sup> International Conference on Natural Products Utilization: from Plants to Pharmacy Shelf (ICNPU-2019)**

For more details, visit <http://www.icnpu.com/2019/>

- The Phytochemical Society of Europe (PSE) is organizing the conference **Natural Products in Drug Discovery and Human Health** (NatProdDDH) that will be held in **Lisbon (Portugal), on 28-31 July, 2019.**
