Joint Prague-Weizmann Winter School on Drug Discovery

The David Lopatie Conference Centre, Weizmann Institute of Science, Rehovot, Israel

Following four successful years of the **Prague Summer School on Advances in Drug Discovery**, this year the school will be held jointly with the Weizmann Institute of Science in Rehovot, Israel (www.weizmann.ac.il). The school is co-organized by the University of Chemistry and Technology Prague (www.uct-prague.eu) and Institute of Organic Chemistry and Biochemistry of the CAS, (www.uochb.cz)

The school is intended mainly for PhD students and postdocs. Expert speakers from major international pharma and biotech companies and academia will cover among others:

- ▶ Target discovery and validation
- ▶ Medicinal chemistry
- ▶ Structure and In silico based drug design
- ▶ Fragment based drug discovery
- ▶ Lead structure characterization
- ▶ Alternative approaches such as Biologics and PROTACs
- ▶ Principles and examples of commercial drug development cycle

Attendants are welcome to present their research in the form of poster presentation

Confirmed Speakers

David Andrews, Astra Zeneca, UK

Stephan Bachmann, Roche, CH

Paul Brennan, Oxford, UK

Alessio Ciulli, U. Dundee, UK

Annika Jenmalm Jensen, Karolinska Institute, SE

Jan Konvalinka, IOCB, CZ

Nir London, Weizmann, IL

Lenka Maletinska, IOCB, CZ

Radim Nencka, IOCB, CZ

John Overington, Medicines Discovery Catapult, UK

Irit Sagi, Weizmann, IL

Avigdor Schertz, Weizmann, IL

Chakrapani Subramanyam, Weizmann, IL / Pfizer, US

Dan Svozil, UCT, CZ

Petr Vachal, MSD, US

Vaclav Veverka, IOCB, CZ

Frank Von Delft, Oxford, UK

Miguel Weil, TAU, IL

Yosef Yarden, Weizmann, IL

Registration fee

- ▶ Registration including accommodation at the Reisfeld residence - **Shared apartment: €300**
- ▶ Registration including accommodation at the Reisfeld residence - **per person in a double room: €280**
- ▶ Registration including accommodation at the Leonardo Hotel - **Single room: €320**
- ▶ Registration for a tour of Jerusalem: **€80**

Deadline for abstract submission: October 1st, 2018 | **Notification of acceptance:** November 1st, 2018

Sponsors

The Feinberg Graduate School | The Chorafas Institute for Scientific Exchange

Organizing committee

Nir London, WIS

Haim Barr, WIS

Martin Fusek, IOCB, Prague

Radek Cibulka, UCT, Prague
